Debates are dry and FOSTRA may be planning something like that so let's do our thing S- What about having some pre-submitted questions? Give the, the questions before hand so they have time to digest? H- Like an informal sit-down? Mahima- but how would we logistically? Worried about timing- election is June 2? When would this happen? And all the different parties- how do we do something and stay a-political? If we invite one, we have to invite everyone? S- yes. and in other organizations they go by the criteria of the federal style- go with parties that have a seat? Or

Mario- could we combine with other groups? FOSTRA, other residents groups? H- Those groups might want to have debate tho, where we want meet and greet S- they might appreciate the more casual event. Concerned about doing individual onesmay not get everyone out to each one. And if they are all together, it makes it easier to contrast different opinions Mah- give each participant have equal amount of time to respond at the event. Would we need a moderator? Keep everyone on time H- and leave debate out of it. Mario- invite all the candidates and keep it very controlled H- yes that's what made the BWV debates so good- having the questions handed out beforehand. They had 8 topics with questions (it was a debate)a and invited people to send in questions before hand. Also had some spontaneous questions during Q&A. This way

there is no attacking yeah other, and is less boring Mah - really does make it easier to head what everyone thinks K- will have to give clear ground rules on timing and no attacking H- I have ground rules templates from other organizations that cover that, in our planning sessions. We can review these and "borrow" what works for us....also add our own. S-We can mute people if need be. Also, residents with kids, could ask classes/teachers to come up with questions to ask? Make it a school activity? They could discuss it in classes afterwards. I have a few parents i could ask.... Mah- and I'm on Parent council at High Park. Could the question be posed as from youths, and frame their answers that way. S- and if there's too many questions (and not enough time), we can upload....

	K- make it a small ask group and get teachers to filter best questions S- yes, keep it to the schools in	
	our catchment H- so, we have about 2 hours BTW The 413 has been cancelled	
	So do we need to send out a survey if we are going to be asking people to submit?	
	K- Maybe they get the survey plus a blank spot to add their own issue?	
	S- need to send it out before May to get to candidate. Let's come back to this H- we will have to plan this-	
	M- let's send it to Community outreach subcommittee.	
	S- yes the meeting is in two weeks- that's enough lead time	

7:30	Bylaws related to insurance	-review the bylaws together to establish whether we need membership to approve the cost of insurance. https://documentcloud.adobe.com/link/track?uri=urn:aaid:scds:US:654	BYLAWS- do we need permission from members to get insurance? Is it in our bylaws? S- It says in our bylaws having insurance is non-negotiable.

			Given that insurance is non negotiable, as indicated in our by-laws, we will go ahead and purchase General Liability Insurance. Annual General Liability application: Had to present a list of types of events we will be having to insurance company .ie. food drives, fun days, FITJ, etc. We need to have separate insurance once we start doing events I'll send out the quotes when they come.	
7:35	JRA Committees FOSTRA	-summary of Community Engagement/Events efforts. Jane's Walk- no interest in hosting an online walk. Will revisit the possibility of hosting an in person version next year. 4 Cats Art sponsorship for Four Villagessummary of Development and Community Spaces efforts. Design Your Mains Street-	FOSTRA- Mario- 2 meetings, Jan and Feb.
